Sevens, Womens & Competitions Coordinator

Sevens, Womens & Competitions Co-ordinator

* Are you passionate about Rugby?
* Do you have outstanding organisation skills?
* Would you like to join WA's driving force in rugby?

RugbyWA exists to "grow rugby and grow rugby talent across WA". We are passionate about community participation and work hard to engage and consult with our stakeholders and build community involvement.

A unique opportunity has arisen to join our team in a new co-ordination capacity. You will be responsible for supporting the Competition and Development Managers and co-ordinating rugby programs for Sevens and Womens Rugby. You will also act as an Ambassador for Rugby WA, building relationships with external community stakeholders, conducting presentations and managing a range of community rugby events.

To be successful you will be well organized, energetic and committed. You will have strong co-ordination and administrative abilities with knowledge of the Microsoft suite of products. You will thrive in a team environment, love Rugby and enjoy using your communication strengths to build relationships with community groups and encourage co-operation and involvement.

You will be rewarded with the opportunity to work for a dynamic and growing organization, in state of the art facilities located in Floreat. You will enjoy mixing with elite sports people and managers who are committed to excellence and team work. An attractive salary package circa $55K including superannuation plus other Western Force benefits are available.
