ARU Community Rugby Program Terms and Conditions

These Terms and Conditions apply to the activities run through the Community Rugby Program (Activities) conducted by the Australian Rugby Union and/or their nominee and affiliates (ARU). These Terms and Conditions may be amended or varied from time to time.

Approval for Publications

During your participation in the Activities photos and video footage may be taken and published on the ARU's website, newspapers, newsletters, education journals and used for other purposes by the ARU. By participating in the Activities you acknowledge your acceptance with this clause.

Privacy

Privacy Statement: The ARU respects the privacy of the individuals on whom the ARU collects, uses and discloses personal information. The ARU is bound by the Privacy Act 1988 (Cth) and has a Privacy Policy that safeguards your privacy. For full details of the ARU Privacy Policy please see our website www.rugby.com.au or contact the Privacy Officer, Australian Rugby Union, Ground Floor, 29-57 Christie Street, St. Leonards NSW 2065 or via email at privacy@rugby.com.au.

Permission Forms

For Activities that are run at a school or when a school attends an Activity as part of a school excursion, the ARU understands that your school will follow appropriate procedures for taking students on an excursion, as set out by the school and its governing education department, including completion of relevant permission forms.

Insurance

The ARU Sports Injury and Liability Insurance Scheme provide a basic level of insurance for players, members and officials associated with club rugby. All clubs affiliated with the ARU and/or the various State Unions and their affiliated unions are automatically covered under the plan from March 1, for a period of 12 months. All participants (Players, Coaches, and Officials) must be registered with the ARU in order to obtain coverage.

The insurance scheme referred to above does not provide sports accident insurance coverage for Activities that are run at a school or when a school attends an Activity as part of a school excursion. Such insurance coverage is the sole responsibility of the individual school through their school accident policy. Optional sports accident coverage can be arranged on application. The ARU does provide public liability coverage and professional indemnity coverage for ARU staff delivering these programs under the ARU National Insurance Scheme.

Waiver

You acknowledge that participation in the Activities may carry with it certain dangers including the risk of injury and damage to property, and agree, to the extent permitted by law, to waive all claims for liability against any participant (including players, coaches, volunteers and administrators) and release every such participant from all liability that may be incurred in connection with your participation in the Activities.

Medical Treatment

In the event that a child participating in the event is injured and the parent/guardian/teacher of the child is not present, the ARU will arrange such medical, ambulance or hospital care it deems necessary. The parent/guardian of the child will meet all expenses associated with that care.
